**CASTLE**  
COLLECTION

# The Castle Collection

Within this brochure you will find a comprehensive range of door and conservatory panels, together with a diversity of traditional and modern glazing options.

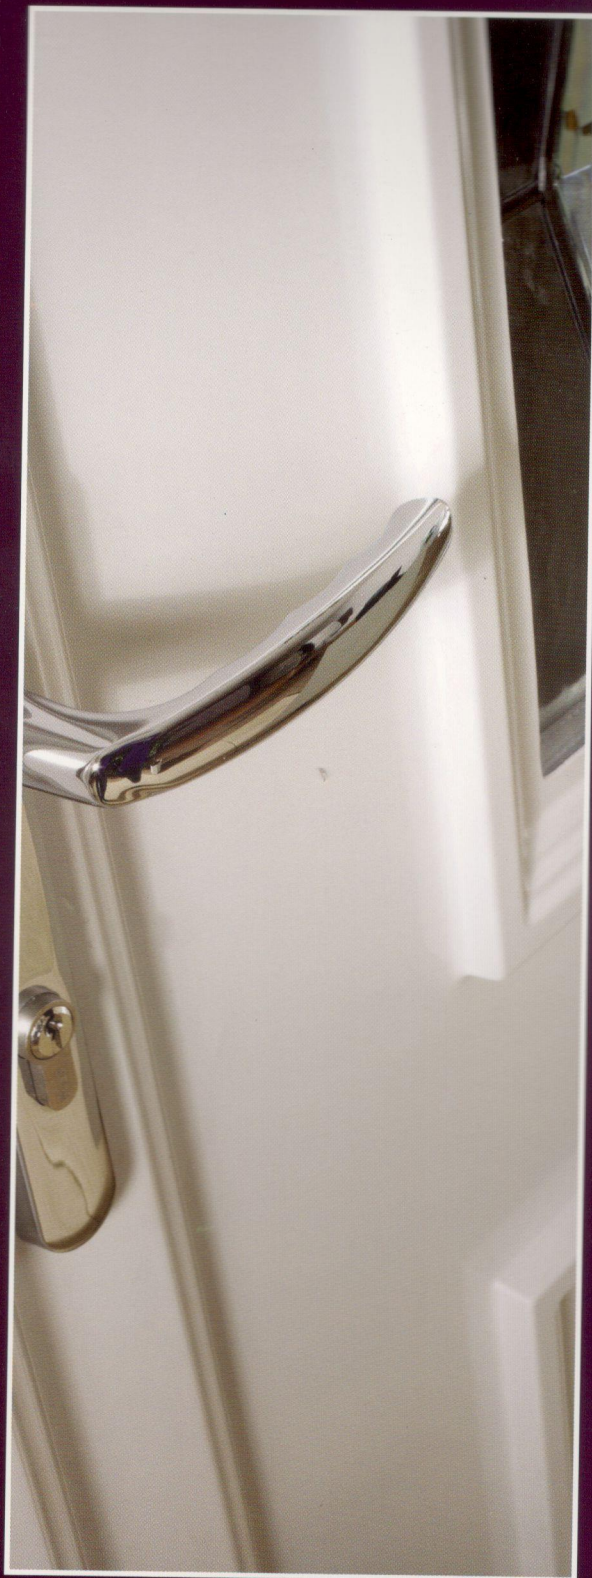

The choice is yours! Select a door panel style and personalise it by choosing an attractive glass design from our range of Triple Glazed, Crystalite, Stained or Contemporary designs.

The Castle Collection is manufactured by experienced staff using cutting edge technology in our modern purpose built factory. Castle Collection door panels have been produced in Wales for over 25 years.

All Castle Collection panels are also available in a range of woodgrain effects; Mahogany, Rosewood, Irish Oak and Sherwood Oak, as well as a Woodgrain/White combination.

All our products are supplied exclusively through one of our approved fabricators.

Our complete range of Castle Collection products can be viewed on our website at [www.apcpanels.com](http://www.apcpanels.com) or alternatively for expert advice visit our showroom (by prior appointment) at Harbour Reach in Barry.
